Strong Showing by CBE at Youth NABCs

With many of our veteran players heading off to college, we brought a smaller group to this summer's Youth NABC in Minneapolis than in previous years. Even so, our kids made a big impact across the events!

Eddy Qi, who didn't have a partner at the event and filled in where needed admirably, won the well-deserved Sportsmanship Award.

Samuel Kuang and his partner were second overall in the Baron Barclay Youth Open Pairs.

Battle of the Bay - CBE vs SiVY III

Every summer, CBE and Silicon Valley Youth Bridge (SiVY) get together for a friendly regional warmup tournament before heading to the Youth NABC.

Congrats to SiVY for winning this year's iteration of the Battle of the Bay

Street Taco Continues Steady As Ever

We regularly get 3 full tables of bridge for our Street Taco event every Saturday from 1:30 to 4:30. We have several regular mentors from CBE rotating in to be present, and we almost always have a mentor watching each table. The format is free play, with instruction provided when the opportunity arises, and laughs at every other opportunity.

We're open to all kids and all levels. Please spread the word and drop by!

Our Mission

Since 2007, the Center for Bridge Education (CBE) has promoted Bridge in the San Francisco Bay Area. Dedicated mentors volunteer to teach youths in person or online through programs like "Street Taco Saturday" lessons and coaching, weekly QuickTricks attendance and post-game review, and Youth NABC sponsorship. CBE also encourages young players to form or join high school and college bridge clubs.

Please Help Support Us!

CBE is a 501(c)(3) nonprofit, run by donations and volunteers. Your support makes a difference! Donate online at center4bridge.org or email cbesfmain@gmail.com for more ways to contribute.
